## T. P. A.

At a meeting of the Travelers' Protective Association, Post F, held last night, the following resolution was unanimously adopted:

Whereas the delayed and uncomfortable and other inadequate service on the Washington, Alexandria and Mount Vernon Electric Railway demands the cognizance of our city and the serious attention of the traveling public particularly those of our association who value prompt comfortable and adequate service;

Be it therefore resolved, that the president appoint a committee of thirty to co-operate with similar committees in properly presenting the existing conditions to the Corporation Commission, and in any other effort to better the transportation facilities.

The president, J. Y. Williams, appointed the following committee: A. D. Brockett, Edward S. Leabreter, R. L. Monroe, Harry Baader, C. H. Kirk, George H. Harlow, E. Goldsmith, R. F. Downham, Harry Hammond, W. W. Ballenger, C. B. Marshall, Robert S. Jones, J. P. Steiner, George Hulfin, K. M. Graham, John Bernheimer, E. P. Taylor, Thomas Elliott, T. C. Howard, U. S. Lambert, Frank Carlin, Wm. F. Brooks, Jr., W. G. Rogers, Alfred Thomson, Keith James, R. Lee Field, T. W. Robinson, William Reardon, Jr., Thomas Ballenger, and Raymond Hulfin.

## The Electric Railway.

Plans are now said to be in progress for the material betterment of the transportation facilities of the Washington, Alexandria and Mount Vernon Electric Railway Company. Four additional motor cars have been ordered, to be delivered within sixty days. Mr. Clarence P. King, president of the electric railway company, has purchased from Judge J. K. M. Norton a portion of the Peyton grove property, lying west of West street and on a line with Cameron street, north of King, which leads to the belief that it is the purpose of the electric railway company to extend its Cameron street track west, so that when the double tracks are completed from Four-mile track to Spring Park it will have a double-track road from Arlington Junction to Columbus street, in this city. The single track now maintained by the road between this city and Four-mile Run pierces the embankment on which the new steam railway tracks are being constructed at Spring Park, and while the opening left for the electric railway is sufficiently wide for double tracks, it is noticed that another opening has been left in the embankment a short distance farther north and about on a line with Cameron street.

## Police Court.

[Justice H. B. Caton presiding.]  
The following cases were disposed of this morning:  
Benjamin Hamilton, colored, arrested by officers Knight and Arrington charged with disorderly conduct, was dismissed.  
Louisa Taylor, colored, charged with assaulting Ella Thornton, was fined \$5.  
John Jordan, colored, arrested by Chief Webster, charged with highway robbery in Fairfax county, had his case continued.  
Frank Phillips, arrested by Officers Roberts and Ferguson, charged with stealing certain articles from the Alexandria House and disposing of them to a second-hand dealer, was dismissed. Wm. Phillips, arrested by the same officers as being a party to the theft, had his case continued.

## Installation of Officers.

At a meeting of Alva Aerie, No. 871, Fraternal Order of Eagles, of this city, held Sunday afternoon, the following officers were installed by District Deputy Grand President Harry Fleischmann, assisted by Grand Trustee Myer Fisher, of Washington Aerie, No. 125: P. W. P. Eugene Rogers; W. P. Jacob Brill; W. N. P. Samuel Bendheim; W. G. C. Carter Smith; W. S. William W. West; W. T. John J. Hanratty; V. conductor, Charles Kaus; I. G. Harry Head; O. S. B. Moore; Downey; A. P. Dr. S. B. Smith; trustees, W. H. P. Kelly, B. B. Smith, and Louis Brill, sr. After the installation a social session was held. A number of visiting members from Washington, New York and New Jersey were present.

## Athletics.

The interscholastic games at Convention Hall, Washington, on January 28, will be notable for the athletic debut of a number of out-of-town teams. Of special interest will be the appearance of the boys from the Episcopal High School, near Alexandria. They will have a relay team against the Country School for Boys, of Baltimore, and Milton Academy, of the same city, and also entries in the hurdles sprints, shotput, high jump, and half-mile run.

## Charges Against an Officer.

Charges have been preferred against Officer Andrew Nicholson for sleeping in the electric railway office, corner of Prince and Royal streets, while on duty and of disorderly conduct. The incident is said to have occurred last Saturday night. The charges were made to Lieutenant Smith. He reported the matter to Chief Webster, who in turn laid the charges before Mayor Paff.

## Charged with Highway Robbery

John Jordan, colored, was arrested in the Police Court room this morning by Chief Webster on a charge preferred by a colored woman of Fairfax county, who alleged that Jordan answered the description of a man who held up her husband on a public road a night or two ago. The accused was held for the Fairfax authorities.

## Meetings.

The annual meetings of the stockholders of the Perfect Jar Cap Company and of the Duin and Martin Company were held in this city today, as was also a special meeting of the Abner-Drury Company. At all of these meetings business of interest to the companies was transacted.

The report in circulation yesterday to the effect that a colored man living near Mount Vernon, in Fairfax county, had murdered his wife, proves to have been a canard.

## Personal.

The German given by the Bachelors' Cotillon Club of Baltimore took place at Lehmann's Hall last evening, and was attended by a large and brilliant representation both by Baltimore and out-of-town society. Among those present were Mr. and Mrs. Robert Beverly Minis.

It is reported that Rev. J. A. Wray, pastor of the Baptist Church, will soon tender his resignation. Mr. Wray is not in the city so his intentions could not be definitely ascertained.  
Mr. Arthur Lambert, now of St. Louis, is visiting his father, Mr. W. H. Lambert, in this city.

Miss Anne E. Strubling, of Mount Jackson, is visiting friends in this city.

At the recent meeting of the Citizens' National Bank the following officers were re-elected: Edward L. Daingerfield, president; W. H. Lambert, vice president; W. F. Lambert, cashier, and Carroll Pierce, assistant cashier.

## The Gazette.

The Alexandria Gazette has entered its 106th volume. It is one of the landmarks of that city, having been established there when Alexandria was but a struggling village, and has done much to further the interests of that city. We hope it may add many more volumes to its life, and may increase in its prosperity. We like the Gazette. Its tone is onward; it is progressive and fearless. We wish it abundant success in the years to come.—[Prince William Times.]

## Do Not Suppress a Cough.

When you have a cough do not try to suppress it, but remove the cause. The cough is only a symptom of some disease, and the disease is what you should cure, and the cough will stop of itself. The most common cause of coughing is a cold. Anodynes will promptly suppress the cough, and preparations containing chloroform, opium, etc., are used for that purpose, but they do not cure the cold. Chamberlain's Cough Remedy on the other hand does not suppress the cough, but relieves it by removing from the throat and lungs the mucus which obstructed the breathing and allaying the irritation and tickling in the throat. It also opens the secretions and effectually and permanently cures the cold as well as the cough. For sale by Gibson &amp; Timberman and W. F. Oreighton &amp; Co.

## TELEGRAPHIC BREVITIES.

Hon. Eugene Hale was today re-elected to the U. S. Senate from Maine for the fifth time. He was first chosen in 1881.

Former Senator W. E. Mason, of Illinois, who is ill of pneumonia at the Shoreham Hotel is reported to be much improved this morning.

Mrs. Lillian B. Shields, the wealthy woman who has been missing from the hotel Kensington, in New York, since January 11th, was found today in a boarding house. She has been ill there since the day she left the Kensington.

Edward Casper Stokes, the new Governor of New Jersey, was at noon today, inducted into that office in the presence of one of the largest crowds ever assembled in Trenton to witness such ceremonies. By Mr. Stokes' own wish the exercises of today were shorn of the military glory which has characterized so many of the preceding inaugurations, and by his the State was saved the expense of some \$25,000. In his inaugural address Gov. Stokes discussed matters of general interest to the Common wealth, and gave his views concerning much of the legislation proposed for the winter's session.

A dispatch from Baltimore says there is no basis for the report that D. F. Maroney, formerly general superintendent of the Baltimore and Ohio at Pittsburgh, is to return to service with the road. President Murray, when asked regarding the story, reiterated a rule he had made since he has been the head of the road. He said: "Vacancies in the Baltimore and Ohio will be filled by men in its service."

## FOREIGN NEWS.

General Stoessel and his fellow officers who are en route for Russia, on parole, will leave Nagasaki tonight for Port Said, on board the steamer Australian.

During the first week of the Russian New Year treaty three fresh cases of cholera and seventeen deaths from that disease have been reported in southeast Russia. Fifteen deaths from Siberian plague during the same period have been reported from the Ural district.

The Prague express was derailed forty miles from Vienna, today. Three passengers were severely injured and thirteen others were slightly hurt.

## Mail Clerk Fatally Hurt.

Joseph M. Burr, of Ronceverte, W. Va., a mail clerk in the employment of the government, was fatally injured at Quantico yesterday. Burr, who had only been in the mail service about three months, attempted yesterday when the train on which he was at work passed Quantico to put out the crane which lifts the mail bag from the hooks on which it hangs, and failed. To remember that a coal chute was a hundred yards in front of the pole on which the bag hung. C. E. Howard, of Fredericksburg, a mail clerk on the same train, saw Burr's mistake and rushed to drag the crane in, but was too late. The crane crashed into the coal chute and dragged Burr out of the car and under the wheels of the train. Burr was terribly cut about the head and badly bruised, but was still living when picked up. He was placed aboard the train and sent to Richmond, to be placed in a hospital. Little hope is entertained for his recovery.

## White Cap Notice.

Mr. W. W. Mundell, a choirmaster and teacher of vocal music in Manassas, was a few days ago threatened by white-cappers. The news only became known Sunday and it was brought to light by a denunciation of the party or parties who made the threats against Mr. Mundell by a prominent minister of that place from his pulpit Sunday morning. A letter was written to Mr. Mundell advising him to leave town within four hours after its receipt, and stating that if he did not do so he would be whitecapped. The letter was signed "Whitecaps." Mr. Mundell has been a resident of Manassas for about eight months, and so far as the public knows he has done nothing to merit the insult that he has received. Mr. Mundell is still in Manassas and seems inclined to treat the matter as a joke. He does not know who his enemies are or why any one should wish to do him harm.

## Marshal Stuart in Office.

United States Marshal J. E. B. Stuart qualified yesterday before the United States District Court in Richmond and took charge of his office, giving bond to the sum of \$20,000. He will soon move to Norfolk and will not have to change his home. It is likely that he will not appoint all the old deputies.
